About SET

SET Swiss Energy Trading AG (SET) was established in 2009 to become the joint trading arm for Swiss regional gas suppliers. Over the past fourteen years, SET has grown significantly, trading 58 TWh - of which 28 TWh were with the shareholders.

Located in Zürich, SET provides a wide range of services to its clients, focusing on innovative product development in the wholesale and trading segment. Its service-oriented performance, highly qualified and motivated employees, as well as modern customer-oriented energy solutions make SET an attractive business partner to its shareholders and third parties alike.

SET's shareholders are Gasverbund Mittelland AG, Gaznat SA and Erdgas Zentralschweiz AG, which have a long tradition in the Swiss natural gas market, procuring natural gas for their shareholders and transporting it across the country.
